1. Would you, what you now know has only just begun. What you now know is the beginning. What you now know is only the beginning of the beginning of what I have for you, what I have for so many, and what I will flow through you at the pace of torrents. Notwithstanding, nothing standing in My way now; no man, no woman, no institution, organization, doctrine, dogma, delineations and boundaries not of My design. For **behold Me, behold My coming forth, behold Me who I am, what I am, how I am, what I am made of, what I am possessed in, what I am possessed of, and what I possess; what I am, My fabric, My nature, My attributes, My characteristics, My values, My modus operandi**.

2. See Me in what I am saying. See what I am saying and breathe deeply into Me, and come into Me, your hand in My side, your heart in My heart, My heart in yours. I love you.

3. I give you Me and this is just the beginning. The beginning has only begun. The beginning is not finished, the beginning is started and the thousand pages plus that I have given you now grows exponentially into torrents, into seasonal rainfalls not, but constant, constantous levels of increasingly continuity of Me coming forth in continuous glory-forming syllables of only Me. I love you.

4. My leadership see, My leadership feel, My leadership be. Be Me in leadership in the twenty first century aboundment of only Me, abounding in My glory, abounding with My gloriables. Sinew Me. I love you. My glory grows. My in-your-veins increases, My rain comes forth and there is no hold that will stop Me. I love you and I give you Me.

5. I have only begun, you have only begun, we have only begun to reveal together what I will reveal to My who will ride with Me; who will ride with Me and not be afraid, who will ride with Me and not come in conflict but open hearts, open hearts, open minds; knowing I do not give stones for fish (1). And if you, being as you are, who you are and what you are, can think good thoughts and give good thoughts to one you love, how much more will I shower, will I rain and pour forth, will I torrentially come upon those who come to Me in love; who come to Me and let Me love them; who come to Me and do not dictate how I come nor dictate how they will talk with Me. Dictators I dictate to, watch Me.

6. I come in meekness and I call the Mighty forth from the meek of the earth. Watch Me. Watch Me come forth in the meek. Watch Me come forth in the lambs. Watch Me come forth in the young. Watch Me come forth in the thought-dead, the elderly, passed-over, who in so much life have so much life left to give and at points, apexes of My glory coming forth. Watch Me.

7. Pivot points. See Me. Pivot-able apertures of only Me. Into Me see now as I hold My apertures open with no *f*-stops, only Me. I love you.
8. You have only begun. You have only begun to walk. You have only begun to run in My leadership; to leadership My Mighty Many with those who will come unafraid; those who will come knowing there is more; knowing there's more who will come, who will call, and who will conquer on bended knee, spread eagle before Me, preventing, allowing nothing to prevent them from coming into My presence and knowing Me.
9. I am looking for the set jaw, those who have set their jaw upon Me, those who have turned their face to Me and set their heart that they will not turn away when in failure and in failings and in shortcomings and thought-times of distress and despair, continuously come to Me rather than demotion, desisting and demising of their own ways. I love you.
10. I give you Me and I come forth. I have only begun. I have only begun.
11. Screaming now you are as you accelerate your turbines, your turbines turning in only Me with My fuel, My fuel in your veins, My blood, My power; your mind, your spirit, your complete being inner exposed, inter-exchanged coming forth in only Me.
12. Transparent be and transparency exponentiate now in My fearless ones. I love you.
13. Only begun, only begun, into Me see. Only begun as I come forth, as My glory radiates, as My glory comes forth demonstrably, intimately, meekly from meek ones who know My blessings now throughout the earth, the work of My hands. I love you.
14. I give you Me. Go in peace, enjoy Me. Rest, relax, smell My roses, My lilacs, My colors enjoy. Fall, fall colors, enjoy My Fall colors, your country, your arena, your area, for so much comes forth so soon. Fall is here.
15. I am mighty. Behold Me. Behold The Lamb. Behold the Lamb that was slain before the foundation of the world. I am you are. You are on to Me. I have entered you in fullness and you have let Me come forth and, yea, I come forth beholding for you have come forth without fear; giving your all, withholding nothing and I come forth in you now as you come forth in Me.
16. My Mighty I bring you, My Mighty, My Mighty to glory increase and blood transfuse even more so; Me with Mine making beauty, making beauty, letting love flow My way, My teaching methods of only Me. I love you.
17. Come forth. Behold the man, behold Me and hold Me tight as we ride waves now which seem to many strange, but such is the work of My hands, failing Me not, failing you not. All together one, now us going forth, revealing Me, revealing Me, thank you for revealing Me. Thank you for revealing Me. The curtain is torn (2), no sewing back together. All together Mine, all together one. Thank you.
18. Love Me more. Lie with Me more. Lie upon My breast and enjoy My comfort, My intimacy, My all. I touch you, I glorify you, I give you My every need, I satisfy your every want, your every longing is My desire, your every request filled I love you. I give you Me. I give you all of Me. Thank you for enjoying all of Me, all of Me, all of My body, all

that I have, all that I am, and all that we will be together. Amen. Amen. I thank you. Amen.

19. My mantle is upon you. My mantle, My mantle, Me, My mantle is upon you, for your mantle is given to Me and, yea, behold what I do with My mantle that I've given, that I have given that is given back to Me. I love you. And I behold you. I behold you, behold Me. Behold My mantle which comes forth. My mantle and the mantle of My Mighty, and the mantle of My lock-hearts. I love you. I give you Me and I prototype you, I prototyped Me, I prototyped you. My prototypes come forth in DNA of only Me, individuality reflecting Me. I love you.

20. I give you Me, consciousness of only Me, consciousness of only Me--My Mighty Many-- consciousness of only Me, unaware, unaffected, unafraid, unswerving now in the honoring of the honing, the culturing and cultivating, nurturing and protectoring of My seed within them, My seed coming forth, My seed being Me. I love you.

21. I yield to no man, except those I love, and I love so many. I love My all, My creation, the work of My hands. I yield, I yield to you, ask more. I told you you ask so little, ask more. Come and call and conquer time and space with only Me. I love you.

22. I come and I call and I cataclysmically produce results of only Me, cataclysmic results of _, concentricities of Me-not in circles now that ripple and rankle and hardly contain the furor, their fury over what I am doing in not-them; meekness required for the move of My hand. Meekness required for Me, the dispensation of Me, the doctrine of Me, dogma not, freedom matured. I love you.

23. I come forth, I yield, behold Me, behold the Mighty Many, behold what I have given, what I have said and what I am doing. And see Me in the mature, see Me in the weak, see Me in the meek, see Me in My all come forth embracing Me in the fullness of My Godhead bodily, revealing Me, revealing Me, yes, revealing Me. Reveal Me increasingly more so. Accelerate, dive, dive, dive into only Me. Accelerate, turn and roll, in with only Me. I love you.

24. I yield to only you, I yield to My meek, I am meek. I know sorrow and I intercede and, yea, I cry still for so many who are so close and yet so far. I hug and I tenderly touch you today, tonight with My voice, My words, My come-to-Me-please request, locking Me not out, shoring not up the boundaries which keep Me out. I love you and I give you Me. So many, so many, so yielded, so meek, so reflecting My values, My love, My power, My authority. I love you.

25. V-8's of only Me, turbines, aircraft, jets unlimited. See Me in what I have said and what I am saying and how I am clearly meekly, meekly clearly, parable not, calling forth the meek and those to not be afraid of Me, to let Me fearless-ize them and walk in My shoes.

26. Speak My voice, write My words, yield My tender, My sensitive, My lame, My dead; I arise you this day, I come forth, I come forth, I come forth. Watch Me.

27. Wait not, watch for Me in every conversation.

28. Watch for Me coming more and more, more and more into you, more through you, more through your speech, more through those around you, and those I bring you; supporters, armor bearers, arm-lifters, pray-ers.
29. I lift you now, I lift My Me, I lift My Mine, and I lift all who will lift My Mine and leadership be in the freedom, third heaven of only Me. I love you. I give you Me--not waiting, not waiting, being Me today; freed, acrimonious not, parsimonious not, parsimony not--I love you--harmony, harmoniously, seeing Me for all I am, as I am, the way that I am, what I have done, what I have given, what I am doing, what I will do, and the role you are to play, your cup fashioned and form in only Me; formed, formed and reformed and fashioned, revealing Me so perfectly in elements and compounds, the work of My hands. My nucleus see, Meonic be. I love you.
30. Coin, new coins in Me, My currency alone. See Me.
31. What I have said I give more and more, My onward rush begins and accelerates this day. Downpours of My latter rain now provide ladders of plenty, partraversing with only Me, My hand, My shield. I am your buckler, I am your refuge, your fortress, your Mighty One--I thank you. I thank you—7:24 (3), 5:16 (4) of only Me: My John, My Matthew, My Ted's, My Roses [roses? (5)], My WeekWorkers of only Me. I thank you. Come forth and behold Me more. I thank you.
Amen
